

# aXtion Pro MP for Surface Go

Industrial grade rugged and waterproof case with MagConnect compatibility and a built-in rotating module with adjustable hand strap and kickstand

SKU: CWM409MP  
MSRP: \$169.99

The aXtion Pro MP for Surface Go is the most robust case of its kind for mobile workers in the industrial field. This fully enclosed case is waterproof and military-grade certified to provide the best protection in unpredictable environments. This case doesn't just protect from drops and water damages. It features our new proprietary heat dissipating ThermoDefend™ technology that maintains device performance through extended periods of use.

This industrial grade case fully encloses the device with easy-to-use latches. Its protective features include built-in heavy-duty screen and camera lens protectors as well as port and button covers. The included aXtion VESA MP Module features a built-in rotating hand strap and kickstand that can be adjusted for a multi-angle display. The kickstand is multi-functional with a non-slip finish to protect surfaces from scratches or to use as a carrying handle. This case can be paired with the Universal Shoulder Strap with a safety release for hands-free mobility.

- Compatible with Surface Go
- Military-grade shockproof (MIL-STD-810G) and waterproof (IP-68) certified
- ThermoDefend™ heat-dissipating proprietary technology to maintain device performance
- Protective features include: built-in heavy duty screen and camera lens protectors; port and button covers; security lock slot
- aXtion VESA MP Module with an adjustable hand strap and rotating non-slip kickstand for multi-angle display and positioning
- MagConnect compatible for quick and easy attachment and detachment with any MagConnect mount
- Hands-free mobility with optional Universal Shoulder Strap
